IMPORTANT: THIS IS A LEGAL DOCUMENT

Please read and understand this document before signing. If you have any questions, please ask us or consult an attorney.

Navy Morale, Welfare and Recreation (MWR) Department, SARATOGA SPRINGS and its staff have done everything possible to assure that our patrons have a rewarding Paintball experience. We wish to inform our patrons that Paintball is not risk free. The same elements that contribute to the unique character and fun of Paintball, such as physical exertion or being in the outdoors can cause loss or damage to equipment, and injury, illness, or in extreme cases, permanent trauma or death to yourself or others under your supervision. We do not want to heighten or reduce your enthusiasm for the experience, however, we want you to be aware in advance of what to expect, and be informed of some of the possible risks. We ask that you read and sign this release and waiver, then return it to our office.

PAINTBALL ACKNOWLEDGMENT OF RISK

I, *(Print Member Name)* _____ acknowledge and agree that the sport of Paintball is an inherently dangerous activity. The game involves the use of pressurized markers that fire pellets containing dye, which are designed to burst on impact. Under normal conditions the paint pellets will not break skin on impact. However, should a pellet strike a person in the eyes, ears, nose or any vital area of the body which is not adequately protected, temporary or permanent muscle soreness; sprains; strains; cuts; abrasions; bruises; ligament and/or cartilage damage; head; neck or spinal injuries; loss of use of arms and/or legs; disfigurement or in extreme circumstances death, may occur. It is my responsibility to obey all rules at the Paintball facility and to utilize all safety equipment at all times which is required by the Paintball facility. Safety equipment is designed to minimize the risk of injury and/or death, but its proper use does not guarantee that such injury will not occur.

I understand that; (1) there are both foreseeable and unforeseeable risks of injury that may occur as a result of participating in this program; (2) serious and permanent eye injury, including loss of eyesight, can occur regardless if I wear approved paintball safety goggles in any area where paintball guns may be intentionally or accidentally discharged; (3) I understand that it is my responsibility to wear approved paintball goggles and I accept that responsibility; (4) goggles can fog or become dirty, and I agree that despite any such problems, I will not remove my goggles under any circumstances while I am on the playing field, at the target area or any other area I may be struck by a paintball; (5) although the field operator and staff will attempt to enforce safety and playing rules, I may be injured or die because other persons did not follow the rules; and (5) playing paintball involves risks, which include, but are not limited to, the risk of injury from being hit by paintballs, injuries from possible malfunction of equipment used in the game, and injuries from falling over natural or manmade obstacles on the game fields. Additionally, I may be playing the game on rough and hazardous terrain with wildlife. Although this facility has taken steps to minimize the hazards of the facility, the risk of injury can not be completely eradicated and there remains the risk that a participant could be injured as a result of the hazardous nature of the terrain and wildlife.

TRANSPORTATION ACKNOWLEDGMENT OF RISK

As part of the paintball program, Navy MWR Department SARATOGA SPRINGS, may provide transportation by motor vehicle, van, or bus to and from the starting and ending point. In that event, I understand and agree that I cannot hold SARATOGA SPRINGS liable for any injury I received due to the transportation Navy MWR Department SARATOGA SPRINGS provides. I agree that the terms of this release shall cover any injury I receive due to an accident on the part of Navy MWR Department SARATOGA SPRINGS whether by their negligence or the negligence of others.
